Deliberative/Pre-decisional – Do Not Cite or Release

Mary,

Below are some talking points for NHPA. We have added some target timelines – based on our best judgement about what we will need to be able to meet the 120 day overall timeframe. I also had them insert some background for you on the NHPA programmatic agreement (at the end). I did not intend for this to be part of your talking points but so that you could have an idea of what we are thinking the document will ultimately contain.

I will be sending you a more detailed email on timing and the BE draft in separate emails. Please let me know if you would like to discuss any of these matters.

Thanks  
Jeaneanne
